

FACULTY

Prof. S Rajasekaran, who is the Chairman of the Department of Orthopaedics & Spine Surgery at the Ganga Hospital, Coimbatore, is one of the eminent spine surgeons in the country. He is the Past-President of the Indian Orthopaedic Association, Association of Spine Surgeons of India, International Society for the Study of Lumbar Spine, Canada, World Orthopaedic Concern, SICOT & AOSpine. Dr Rajasekaran has a number of credits to his name. He is on the Editorial Board of the Bone & Joint Journal and European Spine Journal. He is also the Deputy Editor to the Journals Spine, Global Spine Journal, and Journal of Craniovertebral surgery. ASSI Textbook on Spinal Infections & Trauma. He has 127 publications in international journals and many national and international presentations.

Prof. Anil K. Jain, who is the HOD of Orthopaedics at the UCMS & GTB Hospital, Delhi, is one of the eminent Tuberculosis experts of the country. He was awarded the FRCS by the Royal College of Surgeons England (2011). He is the Past-President of the Indian Orthopaedic Association & Editor-in-chief of Indian Journal of orthopaedics. He has published 114 articles in various International Indexed journals. He has written many invited review articles in international journal on spinal TB. He was Guest Editor for Clinical Orthopaedics and Related Research in the year 2005 and 2007 for symposium on "Management of Neglected Trauma" and "Spinal Tuberculosis". He edited multi authored book "Neglected Musculoskeletal Injuries" and "ASSI Text book of spinal trauma and infection".

Dr. Abhay Nene, is a Consultant Spine Surgeon at Lilavati and Wockhardt Hospitals, Mumbai. He has been trained in top spine centers across the globe and received the ASSI-Darmouth Spine Fellowship, Scoliosis Research Society Scholarship, ISSLS Spine Fellow Award & many more accolades in his career spanning 2 decades. He has been the National Chairman AO Spine India & Secretary Bombay Spine Club. He was recently awarded the AOSpine Regional Educator of the Year award. He is an avid marathoner and cyclist and has also scaled the Everest Base-camp. He is also a guitarist and is associated with the band 'Flunkies'.

REGISTRATION IS FREE, BUT MANDATORY

INVITATION

BOMBAY OPERATIVE SPINE COURSE 2019, 30th June 2019

BOMBAY HOSPITAL SPINE ORATION - CME 2019

Theme - Spinal Tuberculosis - All one should know

Bombay Hospital Trust

Bombay Spine Society

June 30

SUNDAY 2019

Time : 8.30 am Onwards

**Venue : Birla Matoshree Auditorium
Bombay Hospital, Mumbai**

Dear Friends,

Bombay Spine Society – the biggest association of Spine Surgeons from Mumbai undertakes various training and education programmes including BSS Clinical meetings, BSS Annual Conference and BSS Outreach Programmes in various places across the country. The social wing of BSS works extensively to provide premium spine care to the poor & needy whilst research wing conducts work on various contentious issues to reach a common consensus and establish guidelines.

BOSC is an annual operative flagship spine course of Bombay Spine Society to enhance the learning experience in spine surgery whilst aiming to reduce the learning curve by active participation of attendees. BSS Oration + Theme based CME involves deliberation by the experts of a particular domain along with live surgeries concerning the topic being discussed.

Theme for BSS Oration + CME 2019 is 'Spinal Tuberculosis - All one should know' which includes detailed case based discussion on Spinal TB Diagnosis, its medical & surgical management as well as live surgeries pertaining to all aspects of Spinal Tuberculosis. Various aspects to be discussed in detail include decision making, diagnosis, medical-surgical management and future of the management of varied aspects of Spinal Tuberculosis.

The orators for 'Bombay Spine Society – Bombay Hospital Oration 2019' are stalwarts in the field of Spine Surgery and Tuberculosis in particular

- **Dr. S. Rajasekaran** Past President ASSI, IOA, SICOT, AOSpine & Chairman Dept. of Orthopedics, Trauma & Spine Surgery GANGA Hospital, Coimbatore
- **Dr. Anil K. Jain** Prof & Head, Dept of Orthopaedics, UCMS & GTB Hospital, Delhi. Past President Indian Orthopedic Association and Chief Editor Indian Journal of Orthopedics.
- **Dr. Abhay Nene** Consultant Spine Surgeon, National Chairman AOSpine India, Secretary of Bombay Spine Society & Member Scientific Committee Association of Spine Surgeons of India (ASSI)

Looking forward to your kind presence and active participation in Bombay Spine Society _ Bombay Hospital Oration Ceremony + CME on 30th June 2019

30th June - BOSC 2019 Programme

Bombay Hospital Spine Oration - CME 2019

Theme - SPINAL TUBERCULOSIS - All one should know

Time	Topic	
08:00 am - 08:30 am	Registration & Breakfast	
08:30 am - 10:30 am	Case Based Symposium - Guest Lectures on Spinal Tuberculosis	
	Panelists - Dr. S. Bhojraj, Prof. S. Rajasekaran, Dr. Anil K. Jain, Dr. Rajkumar Deshpande, Dr. Ram Chaddha, Dr. Vikas Agashe	
10:30 am - 12:30 pm	Bombay Hospital - BSS Oration 2019	
10:30 am	Inauguration	
10:35 am	Lamp Lightening	
10:40 am	Welcome Address	- Dr. M. L. Sarraf
10:45 am	Address by Medical Director	- Dr. R. V. Patil
10:50 am	Address by BSS President	- Dr. A. B. Goregaonkar
10:55 am	Felicitatation of Orators	- Chief Guest
11:00 am	Spinal Tuberculosis - Diagnosis and Management - Then, Now and Ahead !!	- Dr. Anil K. Jain, New Delhi
11:30 am	Medical Management in Spinal Tuberculosis - What right, What wrong ?	- Dr. Abhay Nene, Mumbai
12:00 Noon	Surgery in Spinal Tuberculosis - Evolution over decades !!	- Prof. S. Rajasekaran, Coimbatore
12:30 pm	Valedictory	- Dr. Vishal Kundnani
12:45 pm	Lunch	
01:30 pm	Live Surgery - (4 Cases on Spinal Tuberculosis)	
	- Post Decompression and Fixation	
	- Anterior Transthoracic Approach	
	- Post Tuberculosis Deformity Correction	
	- Percutaneous Spinal Biopsy in Patient with Suspected Tuberculosis

Bombay Hospital

Minimal Invasive
Spine Surgeon
Society of India

Convenor : Dr. Vishal Kundnani

OPERATIVE SPINE COURSE + CME

COURSE HIGHLIGHTS :

- 25 live surgeries in 3 days
- Theme based LIVE SURGERY + CME
- **Day 1 – Basic spine surgery**
 - Lumbar PIVD - Discectomy
 - Lumbar canal stenosis –Laminectomy
 - Spondylolisthesis - PLF/PLIF/TLIF (3 cases)
 - Cervical radiculopathy – ACDF
 - Cervical Myelopathy – Laminoplasty / Laminectomy
 - Spine Trauma – Fixation – Anterior reconstruction
- **Day 2 – Advanced + Minimal Invasive Spine Surgery**
 - Microscopic/Micro-Endoscopic spine surgery
 - Endoscopic spine surgery –Discectomy
 - Navigation Guided MIS TLIF
 - Scoliosis Deformity Correction
 - Kyphosis – Spinal Osteotomy –PSO / VCR
 - Cervical –Occipitocervical Fusion / C1-C2 fixation
- **Day 3 - Spinal Tuberculosis + BOSC ORATION 2019**
 - Cervical Tuberculosis –Anterior corectomy
 - Thoracolumbar Tuberculosis –
 - Anterior Reconstruction
 - Transpedicular decompression
 - Post tubercular Kyphosis Correction
 - Detailed case based discussion - "ALL U WANT TO KNOW"
- 4 orations by international guest speakers
- 5 case based symposiums (no lectures !!)
- 6 non scientific extracurricular symposium
 - Finance management for orthopods
 - Health is wealth – how to built it up
 - Medicolegal implications– how to keep safe ?
 - Technology and efficiency in orthopedic practice
 - Soft skills , communication and leadership skills
 - Work life balance
 - Full course material & Attractive Gifts for all delegates (one each day)
 - 6 MMC points

Registration : Fee : Rs. 10,000/-

(Cheque in Favour of Mumbai Institute of Spine Surgery)

For NEFT / ONLINE PAYMENTS : A/c. No. 6711602229 Kotak mahindra bank - IFSC Code KKBK0000648

Last date of Registration - 30th May 2019. After that on Spot Registration - Rs. 15,000/-
